Grammar

Partitive article - some

Depending on the on the gender of the noun, we use different words for "some".

masculine	du
feminine	de la
plural	des

Cultural Focus - Poisson d'avril

- Poisson d'avril literally means 'April fish', which is the equivalent of April Fool's day (held on 1st April).
- The name comes from the tradition of pranking each other by stick paper fish to one another's backs.
- The French love a knock knock joke, but say **toc toc** instead of knock knock.

Can I answer and ask...?

- What would you like?
- How much does it cost?
- What do you do at parties?
- What do you think of...?
