HEADTEACHER MESSAGE:

Sports Day Success

A huge thank you to everyone who helped make yesterday's Sports Day such a positive and memorable experience for our children. With 422 pupils across 14 classes taking part, organising the event was no small task and we are incredibly proud of how smoothly the day ran.

This year's format looked a little different with us wanting to go back to a traditional sports day, but our focus remained on creating an inclusive, active and enjoyable event for every child. The sense of teamwork, encouragement and celebration was clear in every race, game and activity. Most importantly, the children had a brilliant time; it was a joy to see them cheering each other on, trying their best, and throwing themselves into the spirit of the day.

I have received some lovely feedback and kind comments from parents, which I'll be sharing with our staff who have worked so hard to make the day a success. Their efforts, positivity and commitment are truly appreciated – thank you.

Thank you to all the families who came along to support. I think for the children, one of the highlights was the parents and staff races! What a competitive community we have! Your encouragement meant a great deal to the children and staff, and helped make the day one to remember – thank you all.

Thank you

Whenever we ask you for support you never fail to deliver; thank you for all the donations of boxes to pack up the books in our library. It is a huge task that needs to be completed by the end of this week so the floor can be taken up next week and a replacement one can then go down.

A big thank you too to all parents who kindly gave up their time to come and speak to Year 6 on Monday for their careers day. Everyone had a great day and learnt a lot about a vast variety of different careers; thank you all for such an immersive and inspiring experience.

Summer Term 2

It is hard to believe that we are at the end of summer term 1! Summer term 2 is set to be jam packed with sleep overs, residentials, tea dances, trips, transition, Year 6 leaving and our Summer Fair. Please do keep an eye on the dates for diary.

The PTA are kindly asking for donations for raffle prizes for our Summer Fair. If you or the company you work for are able to donate a prize we would be hugely appreciative – if you can help in any way at all please do call the office. Thank you for your support.

INSET days

I hope you have a lovely half term break, whatever plans you have. Remember we have two INSET days and school will re-open as usual on Wednesday 4th June.

SIGNIFICANT CHANGES TO PENALTY NOTICE CHARGES

The DfE have recently announced national charges to penalty notices issues for unauthorised absences in term time, these came into effect on the 19th August 2024.

- Penalty notices issued for the offence after the 19th of August 2024 will be charged at the new rate of £160.00 however if paid in 21-days this reduces to £80.00.
- Any second penalty notice to the same parent for the same child in a rolling 3-year period will be issued at the rate of £160.00 to be paid within 28-days with no option for a discount.
- Penalty notice threshold is 10-sessions equivalent to 5-days of unauthorised absence in a rolling 10-school week period.
- Maximum of 2-penalty notices may be issued for the same child within a rolling 3-years period, so at the 3rd or subsequent offence another course of action will need to be considered such a prosecution or one of the other attendance legal interventions.

Activity 2

World Interiors Day

Become an interior designer for a day and come up with a design for a new room in your home. It could be your bedroom, a playroom, a garden room – whatever you like...you could use a theme such as 'sporty' or 'futuristic' but be as creative as you can! Draw a plan or make a model of your design.

Activity 5

National Biscuit Day

This challenge sounds delicious! Have a look at the recipes here [Easy biscuit recipes for kids](#) | [Cooking with my kids](#) and have a go at making some yummy biscuits. Write out your ingredients and the method and remember to take a photo of them before they all get eaten!

Activity 6

60 second Challenge

Why not set yourself some physical challenges? Follow this link and get some ideas...[60 Second Physical Activity Challenges - Youth Sport Trust](#) choose at least 5 different challenges and time yourself...can you improve? Next you could go up against a friend or family member – who can do the most in 60 seconds?

Collect extra Children's University credits during May half term by completing these challenges. Each activity is worth 1 credit (unless stated otherwise), when you send evidence to your local Children's University. This could be a photograph, video, a work sheet, or writing!
