School (% expected standard)	85%
National (% expected standard)	76%
Difference (%)	+9

Following two years where learning has been interrupted as a result of the Covid-19 global pandemic, we are incredibly proud of all our pupils for their hard work, resilience and determination.

Thank you to all members of the school community for working together during such a challenging time. These results are testament to what can be achieved when working together so closely... Together we will make a difference!
