

Year 1 Art & Design- Digital Art- Spring Term

Prior Learning:

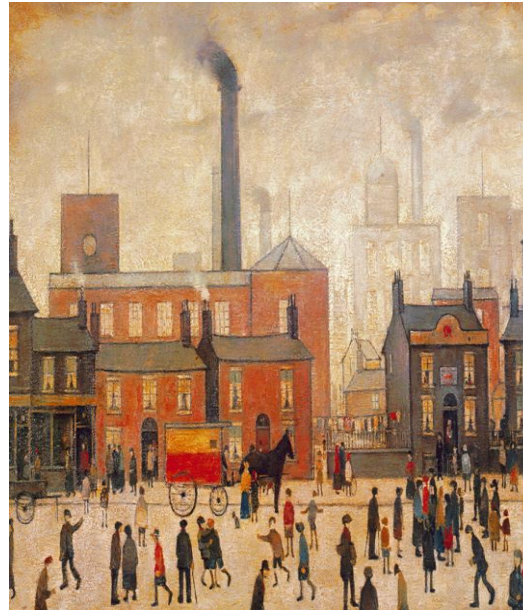

In Reception you have learnt to:
Use the programme Paint to
create digital images.

Key Vocabulary

digital art	Creating art using technology.
photograph	Picture taken by a camera.
image	The picture taken.
tools	Create different effects
Pic collage	An iPad app

Things to think about...

How do I record images on my iPad?
How can I draw onto images on my iPad?
How can I make my work in Lowry's style?

Focus Artist : L S Lowry

An English artist
who painted
pictures
of match stick
figures and
factories in
Lancashire.

Processes/Techniques

Step 1	Look for inspiration in Lowry's paintings of people and factories.
Step 2	Use your sketch book, draw and paint like Lowry.
Step 3	Paint a background, include buildings and factories.
Step 4	Take images of your friends in poses like the match stick figures.
Step 5	Take a photo of your back ground, add your cropped images using your iPad. Draw on details.
