

Year 2 Art & Design- Textiles- Spring Term

Prior Learning:

In Reception we explored creating with different materials, weaving and sticking fabrics to items.

Key Vocabulary

Textiles	Materials, woven or knitted. E.g. lace, felt, cotton.
Join	Attach materials together - using glue or stitches.
Stitch	Using needle and thread to sew into a material.
Sew	Join, fasten, decorate using a needle and thread.
Create	To make something.
Calico	A material made of cotton

Processes/Techniques

Step 1	Explore and observe trees around our school grounds and draw them in our sketch books.
Step 2	Paint a light background onto our fabric, let it dry.
Step 3	Using acrylic paint, add in our tree design.
Step 4	When dry, add stitches to create detail.
Step 5	Add material shapes to the back ground.

Things to think about...

What tools can I use to shape fabric?

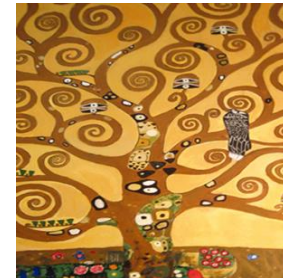

How will I add my design to fabric?

What can I do to add detail to my design?

Focus Examples

Artist inspiration

Gustav Klimt
created artwork with trees as the focus.

Claire Letton
Created art with bright coloured trees which were covered in patterns.
