Topic: Baseline Assessment and Cycle Safety

Year

Key Facts

- Families are important for children growing up because they can give love, security and stability
- It is important to respond safely and appropriately to people who you do not know very well

By the end of these topics, I should:

- identify strategies we can use to keep ourselves and others safe
- recognise the impact and possible consequences of an accident or incident
- identify what is a risky choice
- create a set of rules for and identify ways of keeping safe

Ask me a question!

- How can we keep safe at home, at school, and in the community?
- How can we stay safe when riding a bike?

I will learn the following new words/phrases:

Statement	Something someone says or writes officially.
Opinion	A thought or belief about someone or something. An opinion is not necessarily based on facts.
Fact	Something known or proved to be true.
Strategies	A plan put in place to achieve a goal.
Junction	A point where two or more things are joined.
Cycle safety	The use of road traffic safety practices to reduce risk associated with cycling.
