

Y 5 Art & Design - 3D sculpture Unit

Prior Learning

Year 2 - form and shape clay

Year 4 - 3D tile in clay

HI, I'M CAROL AND
MAX MADE ME DO IT

Materials and Media

Recycled plastics

Masking tape and
twine

PVA glue

Scissors and
cutting tools

Visual Inspiration

Vocabulary

Combine

Join or mix together plastic and other different materials.

3D form

Consider an object from side to side, top to bottom and back to front.

Manipulate

To handle or arrange something skillfully.

Sculpt

To create or represent something by carving, casting or other shaping techniques.

Mouldable

To make something have a particular shape character.

Can I answer?

- How can I change the shape of a plastic bottle to form the desired form?
- What materials can I cover the form in to alter the appearance?
- How can I combine different materials to accomplish my design?
