

Key Facts

- The characteristics of a friendship include: mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties
- It is important to give and seek permission in relationships with friends, peers, and adults

I will learn the following new words/phrases:

Consent	To give permission or approval, to agree.
Possession	The condition of having or owning something.
Permission	Approval to do something.
Trust	Firm belief in the reliability, truth, or ability of someone or something.
Borrowing	When you take and use something that belongs to someone else, with their permission. After using it, you return it.
Stealing	When you take something from someone without permission and do not intend to return it.
Responsible	Having good judgement and the ability to act correctly and make decisions on your own.
Irresponsible	Not thinking enough or not worrying about the possible results of what you do.

By the end of these topics, I should:

- explain what consent means
- recognise the importance of being honest and not stealing
- explain why it is important to have a trusting relationship between friends and family
- identify how making some choices can impact others' lives in a negative way

Ask me a question!

- What are the differences between borrowing and stealing?
- Can you describe the meaning of consent?
- Can you explain a time where you may need to seek permission?
