

Evergreen Primary Phase Long-Term Overview						
Maple Base - B						
	Autumn One	Autumn Two	Spring One	Spring Two	Summer One	Summer Two
Project	Burps, bottoms and bile	I am warrior!	Misty mountain Sierra	Potions	Road trip USA!	Traders and Raiders
Overview	<p>Open wide - let's take a look inside. We're on a voyage of discovery to investigate the busy world inside your body. Do you have a toothy grin or a winning smile? Take dental impressions and test the effects of sugary substances on your pearly whites. Follow a tasty morsel as it makes its way through your digestive system, helped by some mouth-watering saliva. And don't forget the importance of good hygiene at both ends. And whilst we're talking business, could you recognise an animal just by its poo? Are you brave enough to take the challenge? Make a working model of the digestive system and use it to persuade others to eat healthily. Learn how to look after this marvellous belching, squelching, mixture making machine we call our body.</p>	<p>I am Warrior! I am strong, brave and powerful. Meet me in battle. Draw your sword, wield your axe and challenge me if you dare. Invade and attack. Romans versus Celts, the fight is on. Discover warring Britain: meet Claudius, Boudicca and Julius Caesar and find out what the Romans did for us. Get ready for Gladiator School and learn alongside Spartacus and Spiculus, brave fighters of the Roman Colosseum. When all that battling makes you hungry, relax, lie back and feast yourself on dormice and grapes, or perhaps a roasted swan sprinkled with nuts?</p>	<p>Mighty mountains peak above the morning mists, imposing and eternal, rocky outcrops at their feet. Discover how these giants are formed, as a fold or a block, a dome or a plateau. Follow the water cycle's course from peak to valley and meet the exceptional tribes of the hostile Himalayas. Then plan a mountain expedition from the BMC that is eco-friendly and as safe as can be. But look out. What's that by that tree? Its footprints are huge. Have we found the Yeti?</p>	<p>Potion: a poison, a mixture, an aromatic brew, a vapour, a liquid or sticky goo. Welcome to the amazing magical world of potions and their properties. Now scientists, beware. There are some powerful and deadly potions out there, dangerous, unpredictable or tragic (just ask Romeo and Juliet.) Use what you know about materials and their properties to create incredible potions in Professor Hazard's Potions class. Feeling sleepy? That orange juice did taste a little strange...</p>	<p>Buckle up, sunglasses on. We're going on a road trip across the good old US of A. Flying from London Gatwick, and landing at JFK airport New York, it's time to explore the sights and sounds of the Big Apple. Use your map skills to navigate your way around some of its most famous landmarks and send a postcard home to ask the question 'Do you wish you were here?' Learn how to send an email to book a day trip or reserve a room. Make sure you ask the important questions 'Does your hotel have a pool? Is there 24-hour room service?' Meet the Iroquois tribe; Native Americans with amazing customs and traditions. Then plan a bespoke road trip for Mr Smith and his family of four. They want to spend three weeks in the sunshine. It's going to be a long ride. Put the roof down and let the wind blow through your hair. We're off.</p>	<p>Big and strong, powerful and brave, the Saxons wave their battle axes and brandish their swords as they begin to invade Britain's shores. Sail back to the Dark Ages, where battles were rife and fear reigned. Find out about the lives of the Saxons, including how they lived and where they came from. Meet the bloodthirsty Vikings from Scandinavia - never before had such terror swept the land. Make a Saxon sword or a Viking brooch and decorate it with intricate patterns. Choose to be a Saxon or Viking and trade your crafty goods, but let's keep it cool. We don't want a fight breaking out. Are you ready to shine a light on the dangerous and deadly Dark Ages?</p>

Memorable Experience	Visit a local dentist	Battle re-enactment	Visit a local hill or moor	Alice in Wonderland discovery trail	Visit 14 US states	Make sailing boats
Innovate Challenge	The digestive system	Become a Roman soldier	Plan a mountaineering holiday	Create a potion	Plan a family holiday	Trade fair
