

# Easter Newsletter

March 2026

As the spring term draws to a close, I would like to take a moment to thank our wonderful staff, children, parents and carers for a fantastic term.

It has been a great Spring Term with so much going on, and we are incredibly proud of everything our children and staff have achieved. The term has been full of memorable moments, exciting learning, and opportunities for our pupils to shine.

Our children have taken part in a wide range of enriching activities this term. We have enjoyed working with our artist in residence, Fuzzy Matt, who has supported children with a variety of art projects, including decorating our beautiful new outdoor table, soon to take pride of place in The Triangle.

We also welcomed PCSO Trudy, who delivered important sessions on stranger danger, consent, and keeping ourselves and others safe. These workshops were invaluable and very well received by our children.

Across the school, there have been many exciting adventures and learning experiences. Children continue to visit the Wildside Activity Centre, engaging with nature and outdoor learning. Oak Base have continued to make great progress with their swimming sessions. We celebrated Chinese New Year, learning about traditions and culture. During British Science Week, children explored big scientific questions, this year focusing on the theme of flight.

Please don't forget to celebrate any arts, crafts, visits, or moments when your child is being helpful as part of their Changemaker Award. If you would like to share their achievements, you can send pictures and comments to: [changemaker@evergreen.set.org](mailto:changemaker@evergreen.set.org)

Wishing you all a restful and happy Easter break!

Best Wishes

Mr. D. Taylor
