This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

## Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

To read in more detail about the primary music provision at Evolve Academy, please visit our curriculum page: [www.evolveacademy.org.uk](http://www.evolveacademy.org.uk)

Music is taught overtly in class every week as a timetabled lesson and is informed by the model music curriculum (March 2021). Lessons are a minimum of 30 minutes and are taught by class teachers, teaching is supported by specialist planning and the *Sing Up* curriculum scheme of work. This musical learning is further supplemented by weekly singing assemblies in each key stage,

In addition to this all classes receive a thirty minute drum sessions led by Kinetika Bloco and receive a thirty minute peripatetic music session on either the ukulele or recorder led by a specialist music teacher from Music Making SENce.

## Part B: Extra-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

At Evolve Academy, we do not offer extra curricular music opportunities ourselves. However, our music partner, Kinetika Bloco [Youth Organisation in London | Kinetika Bloco](#) offers easter schools, summer schools and leadership opportunities.

These lessons are part funded by Pupil Premium. All ensembles are free and accessible to all of the Primary cohort.

## Part C: Musical events

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

All Primary children will have the opportunity to perform high quality music to their parents and carers this academic year in St Agnes Church Kennington. Please see below for a list of those opportunities:

- December 2025
- April 2026
- July 2026

## In the future

This is about what the school is planning for subsequent years.

In future years, our Music Development Plan aims to achieve the following:

- Introduction of a second peripatetic music teacher who can form ensembles for more able pupils who will be taught higher level instruments such as the guitar, trumpet ect.
- Opportunities to see live music performed.
