

## **Evolve Academy Celebrates Jack Petchey Achievement Award Winners 2023-2024**

At Evolve Academy, we are thrilled to participate in the prestigious Jack Petchey Achievement Award scheme, a programme that acknowledges young people for their outstanding contributions and achievements. With nearly 2,000 schools and youth organisations involved across London and Essex, the scheme aims to celebrate and inspire young people to believe in themselves, raise aspirations, and make a positive impact in their communities.

As part of this initiative, Evolve Academy selects four exceptional students each year between February and May to receive the Jack Petchey Achievement Award. These students are nominated and chosen by their peers, highlighting their achievements both academically and socially. Winners receive a framed certificate, a badge, and membership in the Jack Petchey Achievers community. They are also awarded £250 to spend on a project or resource of their choice that benefits the school, further enhancing their role as leaders within our community. Additionally, they have the opportunity to attend a special Jack Petchey celebration event, where they are recognised on stage in front of their family and friends.
