

Dear parents and carers,

On Tuesday the 11<sup>th</sup> of February pupils will going on a trip to Brandon Library where they will have a talk and a tour. We will be setting off by foot at 12:50am where our fifty-minute session will begin at 1:10pm. We will then return to school arriving back at approximately 2:10pm.

As part of this trip we can offer new pupils the chance to get their own Library Card. In order to do this we will need to share your childs' name, gender, date of birth and address along with your email address and phone number. **Please let us know if you do not want to share use this information by Friday the 7<sup>th</sup> of February.** If you do not wish to share this information it will mean that your child will not receive a library card. If we do not hear from you, we will proceed with applying for library card for your child. Most children will already have a library card from their previous trip to the library. All children with library cards will be able to take a book home from the library with them. Reading is an essential life skill that we hope to promote though this visit to our local library.

If your child has library books at home from a previous trip can we please ensure that these are returned to school so that they can be exchanged on this trip on Tuesday the 11<sup>th</sup> of February.

Kind regards,

Ronan Stewart
