Dear Parents and Carers.

I am writing to update you about some changes for the end of the academic year, and September 2025.

As you know, we circulated a survey to all major stakeholders about a proposed site move. The proposal was that **ALL primary students** are situated in our Kennington site (20 Kennington Park Gardens, Kennington, London SE11 4AX) and that **ALL of our secondary students** are situated at our West Norwood site (28, Gipsy Road, London SE27 9NP).

The results of the survey overwhelmingly supported the move, with 70.6% agreeing that the move would be positive, and 8.2% slightly agreeing that the move would be positive. This means that the move will go ahead for September 2025.

Obviously, this will involve some logistical work on both sites, and to this end **the summer term will end for students on Tuesday 15th July at the usual time instead of Thursday 17th July at 12.30pm**. The dates for the new academic year in September remain the same – term dates can be found on our website.

We look forward to a new, exciting phase in Evolve's history, and thank you for your support. If you have any queries, please email the school on info@evolveacademy.org.uk
