

SPORTS GRANT 23-24

Our Sports Grant for 23-24 = £11,000

(£10,150 committed)

We have chosen to focus on:

- **Providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively –this is due to one member of staff taking on the role of PE delivery.**
- **Using a ‘buddy’ system with a qualified PE teacher**
- **Offering a level 2 sports qualification to ‘upskill’ the primary teacher**
- **Supporting and involving the least active children by providing targeted activities**
- **Actively encouraging pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school – Sport Leaders**
- **Teaching the elements of resilience, communication and independent management of behaviour –in line with our core focus of improving the social independence of all of our pupils.**
- **Delivering two activity days across both sites per year**
- **Delivering sports day across both sites each year**
- **Swimming annually**
