

1. Ideas for dressing up for Children in Need day

The majority of classes would like to come in pyjamas and bring a pound donation. This idea will be passed to SLT.

2. Additional ideas for raising money for Children in Need Day

Ideas to pass onto SLT

- Children bring change to make in a shape on the yard
- A raffle
- Bringing a teddy to spend the day with you, for an additional donation
- Sponsored Run

3. Requests for funds from PTA

Two most popular things that children would like funds for are:

- More playground equipment
- More books in the classroom, including books about their topics

Other suggestions:

- Benches
- Buddy Benches
- Wet play time games
- Musical instruments
- Water fountains
- Bird feeders
- IT equipment
- Litter picking equipment

4. Charities to support throughout the year

This could not be discussed today as some children had not asked their classes or have got too many charities listed. Council members are going to ask their classes for the top two suggestions.

5. Possible additions to Festive Fridays

Everyone agreed that Festive Fridays were already great but they had some ideas of things that could be included and this is to pass onto the Christmas Team.

- More singing and dancing
- Party type games in the hall
- Bring your own elf to school with you for the day
- Longer playtimes for each year group
- Computer time
- Baking activities/ decorating a cake or a biscuit

- Secret Santa (this may not be practical)
- More puzzles
- A quiz including, parts of Christmas songs to identify
- Talent Show

Any other business

All School Councillors were issued with a School Councillor Badge

It was agreed that clubs would be discussed at the next meeting

It was requested that we asked SLT about having a Colour Run to raise money, sometime in the future.

Thinking about the environment, it was raised that we should have a clearer working system for recycling bins in the classroom, Also, to replace the backing on boards with hessian to reduce use of paper.

Actions

Council members are going to gain suggestions from their classes for after school clubs

Council members were survey their classes to find out two charities only to put forward to support.

Next Meeting

Date to be arranged, staff will be emailed about next date.
