

2023 KS2 Assessment Results: Headline Figures

Fairfield Primary School

Following the introduction of the revised, more challenging Primary Curriculum in 2014, the 2023 Key Stage 2 results presented in this document reflect a move away from reporting levels. Instead, pupils now receive test results as a scaled score and teacher assessments based on the interim framework. The headline figures for our school are as follows (they include the new, statutory MTC assessment in Year 4):

69% of Fairfield pupils reached the 'expected standard' in Reading, Writing AND Maths

59% of pupils nationally reached the 'expected standard' in Reading, Writing AND Maths

23 was the average score (out of 25) by **Fairfield pupils** on the Year 4 Multiplication Tables Check (MTC)
