

## School Parliament Minutes

**Date and Time: 7/11/2023 12 : 30 pm**

All MPs present at meeting

### **First focus: How to recognise Children in Need Day**

After a discussion, the MPs shared their ideas.

All constituencies had suggested that people brought in a voluntary contribution.

Some constituencies had requested that children come to school in bright colours/spots and stripes and Pudsey clothing whilst others were keen on wearing pyjamas.

MPs took a vote on what to wear if they voted against bright colours etc it meant they were voting for pyjamas

Should we wear bright colours, spots/stipes and Pudsey clothing on Children in need Day?

***This suggestion will be put forward to The House of Lords -Children will come in bright clothing spots/stripes Pudsey clothing and bring a voluntary donation.***

Lots of MPs had come back from their constituencies of other ways to raise money and they will put these forward to The House of Lords.

- ***Have face painting for a donation***
- ***Have a cake sale***
- ***People do a drawing of Pudsey at home but pay a donation to put them up in school.***
- ***Bring in own teddy***

### **Second Focus: Christmas activities in school**

Virtually every constituency came back with the suggestion we had a dress up day and a Christmas parade. Again, the vote was split between wearing Christmas colours/jumpers/dresses or Christmas themed clothing and quite a few constituencies requesting that we wear pyjamas

We took a vote on whether to wear Christmas colours/jumpers/dresses or Christmas themed clothing if MPs voted against this it was because they were voting for pyjamas.

Should we wear Christmas colours/jumpers/dresses or Christmas themed clothing?

***This suggestion will be put forward to The House of Lords – dress up in Christmas colours/jumpers/dresses or Christmas themed clothing and have a parade***

Can we dress up both days?

There was common consensus from all the constituencies that we do a lot of the things we have done in the past and it was decided that we should request that we do them again.

These are as follows;

***Tree in hall***

***Christmas Dinner***

***Christmas songs in the hall at dinner time***

***Party on the Playground***

***Christmas crafts in the classroom***

***Christmas Movie***

***Raffle for Parents***

***Christmas Quiz***

There were a lot of requests for other suggestions to be put forward but too many to ask for so the sitting of Parliament had to be continued the following day 8/11/2023.

***Colouring available, when movie is on***

***Bring in snacks when movie is on***

***Request from magical people each class has a class elf***

***Christmas shack***

***Secret Santa Christmas cards – The Right Honourable Kitty will explain and mention the poverty proofing element***

***Some sort of hunt without treasure – clues and messages***

***If the PTA are getting involved, we would like in this order***

***An after-school Christmas Disco***

***Bake sale***

***Face painting on dress up day***
