

ACTIVITY B - FOOD CHAINS – Year 4 Science

*Cut out the pictures then put them in the correct order, add the arrows and labels to show **a producer, consumer** and if it is **predator or prey**. Remember to include which consumer are they? **If you cannot print out, draw and/or use the labels (use words only).***

			
Rabbit	Fox	Grass	Sunlight

				
Earthworm	Frog	Heron	Earth	Dead leaves

				
Caterpillar	Fox	Leaves	Sunlight	Bird

				
Sparrow	Aphid	Spider	Sparrowhawk	Ladybird

CHALLENGE : Can you make a food chain that you would find in a river/lake or ocean – make it the same length as the ones above? Remember to add all the labels and arrows!
