## BEAUTIFUL SHEEP

This BEAUTIFUL COLLECTION of portraits shows SHEEP as you have never seen them before – polished, preened and styled to perfection prior to competition. The elegance and QUIRKNESSESS of these adorable champion breeds is captured perfectly in the stunning studio photography. *Beautiful Sheep* contains:

- delightful colour portraits of 40 breeds from around the world
- graphic charts containing all the essential breed information
- behind-the-scenes photography at the agricultural shows
- a potted history of sheep

With photos by leading fashion photographer, Paul Farnham, and text by vet Kathryn Dun, Honorary Secretary for the Sheep Veterinary Society.
