1<sup>st</sup> July 2019

Dear Parent/Guardian,

Following a recent review of our Wraparound provision, I am writing to confirm the new arrangements for blocks and costs for the WAC service from September 2019.

The major changes are in response to the feedback received from the survey. The service will now offer two options for the AM block with the first block opening from 7.30am. The last block of the PM session will now run until 6pm. In addition, we have extended the first PM block to run in line with the end of after-school clubs.

As part of the review of service we have also reviewed the pricing structure. Prices have not been reviewed since 2011 yet the costs of running the facility have increased. We have kept any increases to a minimum and ensured that blocks still remain good value for money, particularly the extended blocks. The table below sets out the block and pricing structure for September 2019.

If you have any questions then please speak to myself, Mrs Parker or Mrs Lee.

Yours sincerely,

Mr C J Steele  
Headteacher
