

Celebrating the King's Coronation.

We are really looking forward to celebrating the Coronation of King Charles III and Queen Camilla: find out how you and your children can get involved!!

On **Wednesday 3rd May** we will have two special Coronation themed assemblies where the children will find out a bit more about some of the traditions surrounding the event. If your children have any questions they want answered make sure they bring them ready to ask our expert who will be leading the assembly.

Children will be able to join in with our '**Coronation, Street Party**' in the afternoon of **Friday 5th May**. Send your children to school wearing their very best red, white and blue ready to party (hopefully in the sunshine) while our DJ spins some tunes. Lunch will happen as usual, however, please also send your children with a small packed picnic to enjoy at the party in the afternoon.

Why not get involved in our competition?

Think that you could design a crown fit for a King? Well now's your chance!

Design and make the crown of all crowns using all of your creativity and ingenuity.

The crown should represent the new King and his interests, so this is a fantastic opportunity to find out a little bit about what really floats the new King Charles' boat and make a bespoke crown just for him.

All entries should be brought to school no later than Friday 5th May so that they can be worn in a Royal procession at the Coronation Party!
