1. Aims

This policy aims to:

- Explain how to apply for a place at the school.
- Set out the school's arrangements for allocating places to the pupils who apply.
- Explain how to appeal against a decision not to offer your child a place.

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- School Admissions Code 2021
- School Admission Appeals Code
- The school is required to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998.

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

Previously looked after children are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order.

This includes children who appear to have been in state care outside of England and have ceased to be in state care due to being adopted.

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

Reception to Year 6 - For applications in the normal admissions round you should use the application form online from your local authority (regardless of which local authority the schools are in). https://www.hounslow.gov.uk/info/20028/primary_admissions

On the online form you will be asked express your preference for a minimum of 3 state-funded schools, in rank order. You will receive an offer for a school place directly from your local authority.

Nursery – Applications for Nursery are submitted to the school and are not completed through the borough. You can get an application from our school office, on our website or by downloading one here:

https://www.hounslow.gov.uk/info/20028/primary_admissions/74/nursery_admissions. All Nursery Applications need to be returned to our school office. Please note, pupils already attending our nursery will not transfer automatically into the main school. A separate application must be made for a place in Reception.

5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social, and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school, but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

The school has an agreed admission number of 60 pupils for entry in Reception.

6.3 Oversubscription criteria

All children whose education, health and care (EHC) plans name the school will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school.
2. Priority will next be given to children on the basis of social or medical needs**. The school requires official medical information as supporting evidence if you are making an application on the basis of social or medical need.
3. Priority will next be given to children of staff at the school, in either of the following circumstances:
 - a) The member of staff has been employed at the school for 2 or more years at the time at which the application for admission to the school is made, or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Priority will next be given to children with siblings at the school. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.

6.4 Tie break

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Peacock Avenue. A child's home address will be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

6.5 Children below compulsory school age

Where children below compulsory school age are offered a place at the school, they will be entitled to attend the school full-time in the September following their fourth birthday.

Parents may defer their child's entry to the school until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year the offer was made for.

Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

6.6 Challenging behaviour

We will not refuse to admit a child on behavioural grounds in the normal admissions round or at any point in the normal year of entry. We may refuse admission in certain cases where the specific criteria listed in the School Admissions Code (paragraph 3.8) apply, i.e., where section 87 of the School Standards and Framework Act 1998 is engaged.

We may refuse admission for an in-year applicant for a year group that isn't the normal point of entry, only in such a case that we have good reason to believe that the child may display challenging behaviour that may adversely affect the provision we can offer. In this case, we will refer these pupils to the Fair Access Protocol. We will not refuse admission on these grounds to looked after children, previously looked after children and children with EHC plans listing the school.

6.7 Fair Access Protocol

We participate in Hounslow's Fair Access Protocol. This helps ensure that all children, including those who are unplaced and vulnerable, or having difficulty in securing a school place in-year, get access to a school place as quickly as possible.

7. In-year admissions

Parents can apply for a place for their child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose EHC plans name the school will be admitted.

Likewise, if there are spaces available in the year group you are applying for, your child will be offered a place.

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available, it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.3 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

Applications for in-year admissions should be sent to the following address:

admissions@hounslow.gov.uk

School Admissions Team
Children's and Adults' Services
Hounslow House
7 Bath Road
Hounslow
Middlesex
TW3 3EB

Parents will be notified of the outcome of your in-year application in writing within 15 school days.

8. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused, by the borough, and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to the following address:

admissions@hounslow.gov.uk

School Admissions Team
Children's and Adults' Services
Hounslow House
7 Bath Road
Hounslow
Middlesex
TW3 3EB

9. Monitoring arrangements

This policy will be reviewed and approved by the Governing Body every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes. If nothing changes, it will publicly consult on the school's admission arrangements at least once every 7 years.

****Exceptional Medical/Social Need**

All Hounslow schools have experience of dealing with children with different social and medical needs. Occasionally there will be a very small number of children for whom exceptional medical social or medical circumstances will apply which will warrant a placement at a particular school.

Medical or social priority would normally only be given in exceptional circumstances if the child or a close family member has an illness or disability, or if there are any other exceptional social reasons, which means that one school is more suitable than another. Medical applications are considered on a case-by-case basis, the intention of the criteria is that it should normally only be applied to children who need to attend their nearest school.

Common medical conditions and allergies can usually be supported in all Hounslow mainstream schools. Therefore, priority under this criterion would not normally be given for these. Some mainstream schools have units attached which provide specialist provision for children with an education, health and care plan which names the school. The facilities in these units are not normally available to children in the mainstream school and as such priority under a school's exceptional social or medical criterion would not normally be agreed for a mainstream place on the basis of a specialist unit being attached to the school.

In addition, routine child-minding arrangements would not normally be considered to be an exceptional social reason for placement at a particular school. The request for the admission authority to consider medical and social need priority must be submitted at the same time as making your application. The application must be supported by compelling written evidence from a suitable professional such as a hospital consultant, a social worker

or health visitor that sets out the particular reasons why this school is the most suitable and the difficulties that would be caused if the child had to attend another school. This must be submitted at the time of the original application. If the school is not the closest to home, the professional must set out in detail the wholly exceptional circumstances for attending this school and the difficulties if the child had to attend another school. Providing evidence does not guarantee that a child will be given priority at a particular school, and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at this school over any other.
