

Full name of child _____

Class _____

Year Group _____

Time to sign up for the Summer Term after school clubs! Please return your response **to the SCHOOL OFFICE** by Friday March 17th 2023. Clubs run for 10 weeks, starting the week beginning April 24th, for one hour sessions straight after school, finishing at 4.15pm, unless otherwise stated – the final week will be week beginning July 3rd. If your child is entitled to pupil premium funding (free school meals funding), we will provide 1 club for free, but any more than that parents/carers are required to pay for. Please note that the cost below is the total price of each club for the term. **Please only sign your child up for the number of clubs you are prepared to pay for. Clubs must be paid for in advance on ParentPay once a place has been confirmed – you will receive a letter to confirm your child's place, after which payment will be required by April 17th at the very latest.** Refunds will only be given for clubs that the school has to cancel due to unforeseen circumstances. Your child must commit to **10 sessions**. We will do our best to give you your preferred choice but we will be offering places on a first come, first serve basis to ensure the clubs are as full as possible.

Please indicate below which club(s) you would like your child to attend, **numbering them 1, 2, 3**, etc. in order of preference if you require more than one club. Please note that clubs **must** be applied for each term and are subject to being cancelled if we do not receive enough numbers.
