Dear Parents/Carers

Trips and Workshops 2022 - 2023

As part of our commitment to ensuring an engaging, vibrant curriculum for your children, we look for ways to enhance our classroom learning by finding trips and visitors who will be able to bring topics to life. We believe that these opportunities offer the children a different perspective on their learning and a chance to broaden their understanding of the wider world.

In order to be able to book these exciting learning moments, we will be introducing a new approach to paying for these events which will enable us to do this more easily.

At the start of the new academic year, you will receive a letter from your new year group leader which outlines the trips and workshops which have been planned. **All parents/carers will be asked to contribute £30 to cover the cost of these trips, workshops and any transport which must be paid by the end of November** and can either be paid in full or in instalments (£10 per month or alternative instalment amount to be arranged with the office).

All trips and workshops organised by your year group will be covered by this one payment of £30 except for our residential trip - School Journey (Y6). Other optional trips which involve multiple year groups such as the Primary Proms at the Royal Albert Hall may also require an additional payment.

We hope that this will make things easier for parents/carers and for school and will give a broad view of the exciting learning ahead.

Kind regards

Miss H Willis
Headteacher
