

## Old MacDonald – Year 1 – Summer 1

### What I should already know

I know about similarities and differences between myself and others.

I can make observations about myself and other people.

I can talk about myself and my own features.

### Key Vocabulary

<b>sight</b>	Your eyes let you see all the things around you.
<b>hearing</b>	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.
<b>touch</b>	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!
<b>taste</b>	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.
<b>smell</b>	You smell using your nose. Your nose can tell if things smell nice or not nice.
