Monday 22nd June

Dear Parents and Carers,

We were very much looking forward to our trip to West Wittering Beach on 25th June. However, due to the Amber Weather Warning that has been issued, we have made the difficult decision to cancel the trip in the interests of the health and safety of all children and staff.

We have been working hard with the coach company to find an alternative date, but this has been challenging. We are keen for all of the children to have the opportunity to visit the beach, and we know they have been looking forward to it. Unfortunately, we have not been able to rearrange the trip for this half term.

We are pleased to let you know that we have been able to reschedule the trip for 17th September. By this time, the children will have moved into Year 3, but Mr Horry and Miss Hodkiewicz will still be accompanying them on the visit. The staff are just as excited about the trip as the children are!

We know that many of the children will be very disappointed by this news, and we would like to reassure you that the staff are just as disappointed. We have all been looking forward to spending the day at the beach together.

Please be assured that this decision has not been taken lightly. However, due to the Amber Weather Warning and the lack of shade available at West Wittering Beach, we do not feel it would be safe for the children or staff to spend the day there in the forecast conditions. The health and wellbeing of everyone involved must always be our priority.

We are very pleased that we have been able to secure an alternative date and hope that the children will still have a wonderful beach experience in September.

We will send out another letter in September with all of the details of the trip and any reminders you may need before the visit.

Thank you for your understanding and continued support.

Kind Regards,

Mrs Harris
