

# Securing Good Transitions & Destinations for Year 11 Students with SEND: A Virtual Inset Half-Day for School Staff

The **Whole School SEND** consortium brings together schools and colleges, organisations and individuals who are committed to ensuring that every child and young person with SEND can maximise their potential.

COVID-19 has increased the risk of poorer transitions for year 11 pupils with SEND in mainstream settings as many in-school opportunities and the work of education and training providers and employers have been disrupted, increasing the risk of these pupils becoming 'NEET'.

## Inset Half-Day

**National Development Team for Inclusion** will be delivering two half-day sessions via Microsoft Teams, and you are invited to attend one of the following:

**Friday 26 June | 09:30 – 12:45**  
**Monday 29 June | 13:30 – 16:45**

## Learning Outcomes

- Participants will have a deeper understanding of the Preparing for Adulthood outcomes, as identified in the Code of Practice 2015
- Participants will refresh their knowledge the Preparing for Adulthood pathways, Employment, Friends and Relationships and Community Connecting, Good Health and Independent Living
- Participants will explore creative approaches to virtual planning and reviews to ensure stronger relationships with Post 16 providers and other relevant partners

**To register for your free place on one of the sessions,  
please complete this [booking form](#).**
