

## **How do you keep parents of children and SEND involved?**

We share information about what is working well at home and school so similar strategies can be used.

Meetings can be arranged to discuss your child's progress or any concerns/worries you may have.

All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report.

Targets will be reviewed, with your involvement, on a regular basis (at least termly)
