

How will we support your child when they are joining / leaving school or moving to another class?

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

If your child is moving to another school:

We will contact the school SENDCO and ensure he/she knows about any special arrangements or support that need to be made for your child.

We will make sure that all records about your child are passed on as soon as possible.

When moving classes in school:

Children are given many opportunities for transition in the final half term. If school believes further transition support is necessary, it will be given.

Information will be passed on to the new class teacher in advance and at this time targets will be shared.

Current class teachers are given time to discuss all children with new class teachers

If your child would be helped by a book to support them understand moving on then it will be made for them.

In Year 6:

The teaching staff/SENDCO will liaise with the Secondary School SENDCO to plan transition (usually in the summer term).

Where possible your child will visit their new school on several occasions and, in some cases, staff from the new school will visit your child in this school.
