

Year 5 Autumn 2 Homework

Weekly tasks

Spelling Shed

Practise your spellings ahead of your test each Friday; you can use Spelling Shed to support with this.

Reading

We encourage you to read at least 4 times a week and fill out your Reading Log in your Home / School Diary. Remember, you can use MYON to read books on a device too!

Maths

Please practise your times table recall using TTRS.

Your weekly Maths homework is set on Atom Learning.

Wider curriculum project

Due in: Monday 18th December, 2023

This half term, Year 5 will be learning all about space and the planets in our solar system. To consolidate and celebrate their learning, we would like to set a space project for homework. We are asking you to get creative and show us what you know and what you've learnt about space! You can concentrate on one planet or do all of the planets in our Solar System. It is up to you to show us what you've learnt – you can present your learning in whatever way you like!

We have put some space project homework inspiration below. However, you may choose to represent your work in other forms, such as a PowerPoint.
