

Year 3 Summer 2 Homework Project

Weekly tasks:

Spelling Shed

Practise your spellings ahead of your test each Friday; you can use Spelling Shed to support with this.

Reading

We encourage you to read at least 3 times a week and fill out your Reading Log. Remember, you can use MYON to read books on a device too!

Maths

Please practise your times table recall using TTRS.

Your weekly Maths homework is set on Atom Learning.

Please be aware that it is only available for 1 week.

We would like to invite you to create a project about one of our topics from this half term and bring it into school on **Monday 15th July** to show your classmates!

You could create a PowerPoint presentation, an interactive poster, a 3D model or even a comic strip! It is completely your choice how you decide to present your learning. Please note, if you decide to create a PowerPoint presentation, this will need to be emailed in advance or alternatively, you could save it to a USB stick and bring this into school.

This half term, our topic is called '**Brilliant Boldmere**'

Some of the things we are learning about are:

- Boldmere Local Study in History
- Mechanical systems in DT
- Glockenspiels in Music
- Programming in Computing
- Our class novel, 'The Nothing to see Here Hotel'
- Our additional texts are 'The Wild Robot' by Peter Brown and 'Painting Poems' by Julie Anna Douglas.
- 'Changing me' in PSHE

Some ideas:

- Create your own scratch game at home and save it for us to look at in school.
- Create a non-chronological report about Boldmere (linking to our History local study)
- Create your own mechanical system.
- Compose your own song to perform on the glockenspiel
- Complete a book review on one of our core texts for this half term.
