Focus on 7 times table. <input type="checkbox"/>	<u>Spelling Shed</u> Your teacher will set your tasks. <input type="checkbox"/>	<u>Reading</u> Please read your reading book for 10 minutes every day. <input type="checkbox"/>

This half term we are continuing to learn about the Ancient Greeks, and we have also learning about the states of matter in Science, the Christmas Story in RE. To celebrate your learning, we would like you to work on a project throughout the half term. You can choose to complete any of the listed activities below or be as creative as you like to show what you have learnt. Please bring this completed masterpiece into school on **Monday 13<sup>th</sup> December** to share with your teachers and friends in class.

- Create a comic strip of the Christmas Story.
- Research the volcanic eruption of Santorini and create an interactive poster.
- Display your family tree using French pronouns to label who everyone is.
- Make a 3D model of The Water Cycle
