Transition- Looking ahead to September

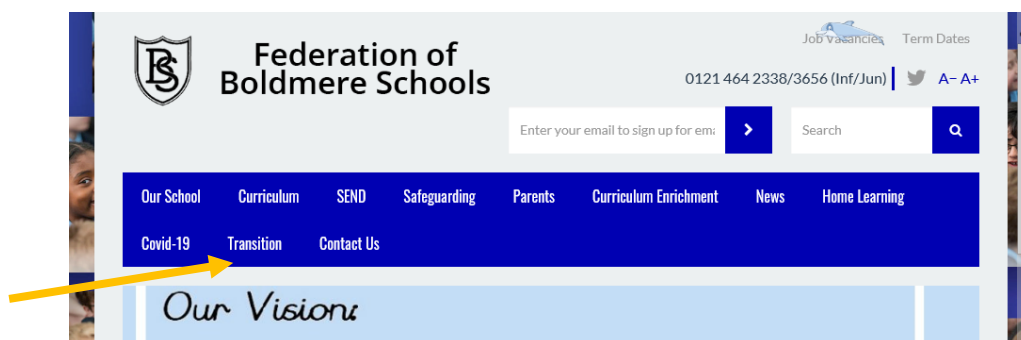

We are hoping and planning to welcome all children back into school in September.

Next steps for transition include:

- Wednesday 1st July, you and your child will find out new class teachers via Parentmail.
- Week beginning Monday 6th July, end of year reports will be available. This year we are asking for reports to be collected from school wherever possible. We will be sending reports home with children who are currently in school (Keyworker class, Year 6). If your child/children are in school and have a sibling at home, we will be sending their reports home at the same time. There will also be the usual feedback form for parents/ carers to complete. Please note that this feedback will be a vital tool this year for communicating any information which may be of use for new class teachers. For the year 2, the feedback forms and 'All About Me' sheets can be delivered back to school and put into our collection box (through fence by the path to the main office). Alternatively please post back to school.

Please see below for further details on report collection.

- Wednesday 8th July transition resources to support children with their transition back to school will be available on the school website. These will be under the Transition Tab. This will be for all year groups across the Infant and Junior school.

You will find:

- videos from class teachers welcoming children to their year group – short team video
- Advice on how you can support your child to prepare for their return to school in September.
- PowerPoint presentation for new Reception children
- Booklet for new Year 3 children, along with a copy of the junior school prospectus and other forms
- Summer essentials

Please continue to access the bedtime stories (links should have been sent to you weekly via Parentmail so that you can access our private YouTube channel)

Silly Squad Reading Challenge

The Reading Challenge is a really good way of keeping children reading over the summer holidays. The challenge is normally to read and review 6 books and take your record sheet into the library to get prizes. This year however due to the current situation it has all moved online. Children can join at <https://summerreadingchallenge.org.uk/>

On the site there are lots of quizzes and games as well as rewards. Normally all children that complete the challenge in Sutton get a £5 book token at a ceremony in the library. This year, you still have the opportunity to win a £5 book token. If you complete the challenge you need to print off the certificate and take it to school when you return next term. If you show your certificate to your class teacher, school will inform the library and they will send us a £5 book token for you to spend at a local bookshop. Watch this space for the deadline! The school that has the most number of children who have completed the challenge will receive a trophy from the library. Let's see if we can win the trophy. Happy Reading!

Free School Meal Vouchers – End of Term/Summer Holiday

Free School Meal vouchers for the last two weeks of term (w/c 6/7/20 & w/c 13/7/20) will be sent out on 6/7/20.

In regards to the COVID Summer Food Fund (Government scheme covering FSM over 6 weeks holiday), these will be sent out on 17/7/20.

All vouchers will be distributed via 'Edenred' on behalf of school. Due to the volume of vouchers going out across the country there may be a delay in the vouchers reaching you, so please be patient and a reminder to check your spam/junk email as vouchers may appear in those folders.

If you are having issues with using the Edenred system, you can contact them direct:

- **Email - freeschoolmealsparentscarers@edenred.com**

Yours sincerely

Busy Bodies Parents/Carers – Important Information

A warm 'Hello' to our Busy Bodies families and we hope you are all safe and well. It certainly has been a very strange few months and we are looking forward to seeing you all and meeting our new families in September.

Baby News

Our newest team member arrived on Wednesday, 28 April. Baby Tao was born strong and healthy, a beautiful baby boy to parents Kerema and Bruce. Congratulations on the safe arrival and a warm welcome from all your Aunties and Uncles and Busy Bodies families.

September Registration fees/Booking Forms

We have today on ParentPay set up the new registration year for 2020/21. All parents wishing to register their child/ren from September must make payment of £25 per child (third child £12.50), no later than **Monday 6 July**. Please note anyone registering after this date may have to go on to our waiting list as we have a number of Reception children registering for September.

At present, we are anticipating and indeed planning, for the wider return of all our pupils in September, pending the release of what we hope will be robust guidance from the government. Along with this wider return we also anticipate resuming our Before and After school provision through Busy Bodies. We would, of course, like to commence the offer of this much needed provision/service as soon as the pupils return on 3 September 2020 and this is indeed what we are planning for.

However, we do of course need to be mindful that this date of resuming Busy Bodies in some type of normal capacity, may of course not be possible. As this decision to resume services will rely heavily upon the much needed government guidance that we are still waiting for, please bear with us and we will of course let you know of future arrangements in relation to accessing Busy Bodies. For now, please register for a place and complete booking forms as per normal requirements, so at least we have the information required to plan provision accordingly. Thank you in advance of your continued patience and understanding.

New Reception Children – We will contact parents/carers when our system is updated with your child's details, to allow you to register.

September Payment Forms/Information

Information regarding September forms will be available via Junior and Infant school Receptions, Busy Bodies and online from Wednesday 1 July 2020.

Finally, our Busy Bodies team are so looking forward to welcoming children and parents, old and new, back in September.
