

## Digraph Spotter!

Use a colour to highlight all of the digraphs you can find. List the words in the grid at the bottom, then add some words of your own.

It was a nice sunny day. Tom wanted to play in the garden. First he tried to ride his bike around the grass. It was very hard! Next he flew his new kite high in the sky. After that his mum threw a ball for him to catch. Soon it was five o'clock and time to put away his toys and go inside for tea. Phew, that was fun! He enjoyed playing outside.
