

Big Garden Birdwatch

28-30 January 2022

What will you see?

Be one in a million!

Last week, the **Boldmere Eco Committee** made bird seed cakes and kebabs which they hung around our school grounds to attract more birds as part of our Eco Schools - Action 1- To encourage biodiversity. Also, we are going to take part in the '**Big Schools Bird Watch**'.

In 2021, more than one million people took part in '**Big Garden Birdwatch**', all coming together to look out for birds. Why not join in and be one in a million for 2022? It takes place this weekend from **Friday 28 to Sunday 30 January**.

Shockingly, we've lost 38 million birds from UK skies in the last 50 years, so it really is vital we do all we can to look after our birdlife.

As a conservation charity, the RSPB depend on your support to save nature and to look after places where wildlife can thrive. By taking part in Big Garden Birdwatch, you can also make a difference. Wherever you are, whatever you see, it counts!

See the following link to find out more about how to take part and how to attract birds to your garden. <https://www.rspb.org.uk/get-involved/activities/birdwatch/>
