Dangerous Parking

We have had a few concerned residents and parents inform us that in the mornings there are parent's double parking alongside parked cars in front of the school. This not only blocks the road and is inconsiderate to local residents, but is extremely dangerous for the children. Please ensure that you find a safe place to park before allowing your children to leave your vehicle.

Animals in Hands

Mo, the animal man has been to visit Year 1 in school today. The children have met Brian the Snail, Vicky the Stick Insect, Pascal the Chameleon, Alex the Python and Sky the Sugar Glider. The children have had a wonderful time hearing about the animals and have also had the chance to touch and handle some of them.

The website for more information is www.animalsinhands.com.
