Year 6 Homework

Dear Parents/Carers,

In order to support children in their preparation for KS3, we have attached a homework expectations sheet for Spring 2. This informs children which CGP, and other homework, we suggest to be completed each week. There will be no Celebration Project expected.

We would expect children to be spending around 20/30min an evening on their homework (or approx. 2 hours per week). For this reason, we have not always allocated a certain number of pages due to children working at different paces.

We have asked children to bring their CGP books in every 2 weeks for their teacher to see their progress. Teachers will not be marking this work, as answers have been provided, but shall be looking through them

For your reference, please also see the attached local Secondary School homework guidelines which you may wish to share with your child.

Many thanks

Homework and Detentions

Homework is important. We suggest that your son does his homework in a quiet place, without distractions. He will receive two or three homeworks per day, of approximately 20-30 minutes each. He will need to carefully record his homework in his planner.

If your son does not complete his homework on time, or to the required standard, he will automatically receive a **one hour homework detention the following day**. The same applies if your son receives a 3Cs behaviour point. You will be notified via email if your son has a detention.
