Dear Parents/Carers,

Well, it's a warm welcome back and **Happy New Year** to everyone today! After the events of last week, I would firstly, like to thank parents and children for your patience and understanding during school's closure. The **burst pipes** that greeted us on Monday morning were certainly an unwelcomed surprise and the detection of asbestos flooring surrounding these pipes then added to the situation. Happily, all the affected area has now been made safe and repairs to the pipes were carried out on Friday, despite the snowfall! Mr Hatfield is working hard this week to restore the area back to normal, and we are hoping that this will be completed within the next few days. Disruption to learning is minimal however so it is now business as usual.

A big well done and **congratulations** for all the **home learning** that took place last week though- a reminder of Covid days gone by! We had some lovely photos sent into school and we were impressed to see the engagement of some many children (and parents!).

Thank you all for your efforts.

We do hope that everyone has had a lovely Christmas break but it has been amazing to have children back and get into our usual school routines.

Our **school monitoring** this term continues, with a focus on **school council pupil voice** as well as the core areas of Maths, Phonics and Writing. We are also utilising the strengths of our **PE apprentice**, Miss Donnan, along with Mr Watts at junior school, to upskill staff and place a greater emphasis on games skills across school. Miss Donnan and Mr Watts are introducing the use of resources from the PE hub and this will support progression and consistency between the Infants and Junior school.

Advance warning of our **Online Parents' evenings** on **Tuesday 10<sup>th</sup> and Wednesday 11<sup>th</sup> February**. Further details will be sent nearer the time with information on how to book and access the appointments.

On Tuesday 20th January (2pm), our SEND Team will be **reviewing our SEND Information Report** with Lisa Taylor-Hawkins, from the Language, Learning and Strategic Support Team (LLSS). As this information report is primarily for parents, it is good practice for us to review this with parents. The current SEND Information Report can be found here: <https://boldmere.bham.sch.uk/send/policy-and-send-report>.

We would like a range of parents to join us from across Infants, Juniors and Boldmere Inclusion Base, however we may have to randomly select parents if we have a lot of interest.

If you would be interested in joining us in school to review this report, please complete the form below.

We will then be in touch, closer to the time, with more information.
