

NEWSLETTER - JUNE 2

Dear Parents/Carers,

Sports Week

We will be celebrating National Sports Week in school from 19th June- 23rd June. Please send your child to school in their PE kits/sportswear all week ready to take part in lots of fun physical activities.- they will be bringing their PE kits home this Friday. We will be having a climbing wall, bike ability, dance lessons, tennis, rugby and multi sports with Aston Villa as well as many more activities.

As a school we have signed up to the Youth Sport Trust pledge and will be aiming to complete 60 minutes of physical activity a day. If you would like to send any photographs into school for Mrs Wheeler to use in a display of your child being physically active at home that would be fantastic. The week will end on Friday 23rd June with the Aston Villa penalty shoot-out competition! For a £1.00 donation children may come to school in sports wear or a football kit ready for the event!

For The Attention Of Year Two Parents

The junior school will be hosting a welcome to Year 3 parents' information evening at 6.00pm on Wednesday 5th July. Further details will be shared by Mr Sadler shortly.

Class Photographs

Proof cards and ordering details will be sent out via Parentmail this week.

Transition

This week we are starting to think about transition for September and we are timetabling transition activities for the children during the coming weeks. We have welcomed our new Reception parents today and provided transition information for each of the new Reception classes. This information will be made available of the website by the end of this week (Transition tab/year group). Further transition information for our current children will be uploaded onto the website in due course. Please check the weekly newsletters for regular update.

Weather Update

I am sure that this goes without saying but the temperatures we are experiencing currently, whilst very enjoyable, are causing us to make adjustments to the teaching and learning within school. We are limiting the time that children are spending outside, encouraging them all to drink plenty of water during the day and thinking carefully about the amount of time spent participating in PE lessons and physical activities. During this hot spell, please can we reiterate that children should be bringing a named water bottle to school, named sunscreen and a cap/hat. Those children taking medication for hay fever should also be appropriately medicated before coming to school.
