Reception Trip to Ash End Farm

Reception children and staff had a great time at Ash End Farm on Monday. We fed sheep, goats and ducks and had a great time in the play area pretending to be farmers. We played with rabbits, held a chick and all the children took home an egg to cook for tea. All children were impeccably behaved and enjoyed the activities on offer at the farm. A big thank you to all the parent helpers who came too.

Governor Visits

As part of their role the Full Governing Body (FGB) of our school carry out a number of school visits. We were delighted to welcome the vast majority of our FGB into both schools last Wednesday 7th June. As part of their visits they ask us to present a particular focus of our school work in order for them to have a developed understanding of the school, which is an essential element in their role as a governor. The governors were able to visit classrooms, talk to children, meet with key staff members and see important documentation all linked with 'teaching at greater depth'. Our FGB were able to provide invaluable feedback and further development points around this key area of teaching and learning and we are grateful for the time and effort spent in their key roles on our FGB.

NEWSLETTER - JUNE 2

PTA News

Thank you to everyone that came and bought ice creams and lollies on our first 'Frozen Friday'. We are going to try and sell every Friday (weather permitting) so please bring your 50p and your £1's to keep cool. If we have a wonderfully hot day we may do a random pop-up shop so keep your eyes open for ParentMail announcing it.

We are asking for cuddly toy donations for our teddy tombola at the summer fair. If you're having a clear-out we would love to take your soft toys off your hands. If you take your donations to the office, we are collecting from there. Thank you for your help.

Busy Bodies Parents

Have you any old or unused computer keyboards (not screens) that you would be happy to donate to Busy Bodies for the children's play office area. If you work in a computer based industry or are aware of someone who would like to get rid of some old computer keyboards, we would be happy to give these unused items a new home. Also if you have any old or unused (large) dolls heads we would also be happy to use these in our children's play area so the children can practice hairstyling. If you have any of these items to donate, please call us on 464-1343. Also a polite reminder that booking forms and fees for June are now outstanding, please ensure these are handed in promptly.
