

## **'Be Kind Advent Calendar'**

This term's value is Kindness, which we continue to celebrate and encourage in all its forms. Each class will be revealing one Christmas act of Kindness on our Countdown Calendar each day in December. The aim is for the whole class to carry out one simple act of kindness each day. We have also given each child their own 'Be Kind Advent Calendar' to take home today. We hope your child can spread a little kindness at home and beyond during the festive period. We'd love to hear about any of these via Twitter.
