

## **Links to Reception activities on Twinkl**

**The website Twinkl is offering a month free for parents so that you can access home learning resources. On the website, they have numerous resources for different subjects and year groups. It can be quite overwhelming so below we have linked some Reception based activities for maths, reading and writing. The website also offers a daily timetable with other suggested activities/ printouts. If you do not have access to a printer at home then they can provide you with ideas to create your own activities/ worksheets.**

### **Writing**
