16th September 2020

Dear Parents/Carers

We would like to express our sincere gratitude to all parents/carers who are supporting us to reduce gatherings on and around the school site, by adhering to the staggered times to our start and end times for the school day.

We do appreciate that we have circulated lots of information recently about changes to school arrangements, which as busy parents/carers are challenging to keep up with.

As we keep appraising arrangements, we will make small changes which will hopefully lead to improved practice to benefit our school community. With this in mind, we feel that we are now able to reduce the staggered start and end times to the school day as children have become really good at coming in and leaving school.

We hope that the new times along with small changes to entrance and exit points, continue to keep us all safe and relieve any congestion outside our school. The children have also displayed wonderful independence, so we would ask children to make their own way to their classrooms from their given points. We kindly ask that parents/carers do not unnecessarily enter the school grounds at drop off and pick up unless there are severe circumstances to do so.

The new arrangements will be from Monday 21st September and they are as follows:-

Year 4 - 8.40-8.45am arrival
3.05pm collection time (Mon to Thurs)
11.55am collection time on a Friday
Entrance and Exit point –across large parents waiting area, down side gully in through Busy Bodies door.

This school is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment
