### Attendance

It is important that all children attend school every day as it has a huge impact on children's attainment. We monitor attendance closely and encourage children to have a positive view on attending school every day. We recognise that young children tend to be off with illness so we now reward attendance on a termly basis, each term is a new opportunity for children to gain 100% attendance.

<b>Academic Year</b>	<b>98% and above attendance</b>	<b>100% attendance</b>
2014-2015	88 children	14 children
2015-2016	93 children	34 children
2016-2017	92 children	19 children

The reward system for good attendance each term is as follows;

96%= bronze certificate

98%= silver certificate

100%= gold certificate

In July children will be awarded with a gold pin star badge if they achieve 100% attendance over the whole academic year.

We look forward to celebrating children's attendance at the end of each term and can't wait to see who will be wearing one of the gold stars in July!

Thank you for your ongoing support,
