Volunteers Needed!

All PTA Events need Volunteers and our Fireworks Event is no exception. Please [click here](#) ("can you help" section) where you can volunteer for various roles for the Fireworks Event.

We need volunteer marshals to ensure a safe event, a food prep & service team as well as help to set up the stalls, run them and help to take down and pack away after the event.

We've split tasks into timed chunks in order to give everyone an opportunity to get involved, even if you have just a small amount of time, **there's a way for most to get involved.**

In return you'll get to have fun with the other volunteers all helping to raise valuable funds that will benefit all of our children at the school. **All volunteers will receive free entry to the event.**

The PTA is always in need of volunteers to help out with ad-hoc jobs throughout the year. If you would like to help please contact us. We will soon publish a list of ways you can help support the fantastic work of Your PTA.
