Boldmere Community Iftar

We are excited to announce we will be hosting our 2024 Community Iftar on the evening of **Tuesday 19th March**. This follows on from the success of last year's event, where the wider school community experienced an Iftar and learnt about the significance of breaking fast during the holy month of Ramadan. This will be a community event which everyone is invited to enjoy. More information, such as ticket details, will be shared very soon, but for now please save the date.

Would you like to be part of the organising team for the Community Iftar, or would you be available to help out on the evening (19th March)? If so please [contact us by email](#).
