

Reception

While schools remained closed, the following websites and resources may be of use for you to support your child's learning at home during this time.

General ideas to support your child:

- Read a story together daily and talk about the characters
- Practise phonics phase 2 and 3 sounds as often as you can. Can your child read/write words containing single and digraph sounds? Can they recognise and recall how to write tricky words?
- Practise counting – what can you count around your home?
- Talk about shapes – how many different shapes can you spot around your house?
- Practise cursive letter and number formation
- Play games together

Maths

www.mathletics.com or via APP. – Topics/themes taught so far will be assigned by your class teacher.

www.topmarks.co.uk -Useful website for Maths games covering all topics/themes.

<https://www.bbc.co.uk/cbeebies/shows/numberblocks> – lots of fun songs, videos and activities based on number skills.

www.whiterosemaths.com – White Rose have prepared home learning packages that include online tutorials, videos and access to premium resources. We use the 'White Rose' scheme within school and this will be in line with our Maths curriculum. White Rose have prepared a series of five maths lessons for each year group and they will be adding daily maths lessons for the next few weeks. Each lesson comes with a short video showing you clearly and simply how to help your child to complete the activity successfully.

Reading

www.phonicsplay.co.uk – interactive phonics games – phase 2 and 3.

www.phonicsbloom.com – interactive phonics games – phase 2 and 3.

<https://bookflix.digital.scholastic.com> – Lots of free eBooks online. Children can pick a category that interests them – e.g. animals and nature, people and places, and access lots of brilliant books. There is the option to read the book or listen to the story being read to them. The books come in sets with a matching fiction and non-fiction book and also has follow up activities based on the story that has been read.

<https://classroommagazines.scholastic.com/support/learnathome.html?caching> – day by day reading challenges. A set of books for each day (a fiction and matching non-fiction book) with follow up activities. Currently there are 2 weeks of daily reading challenges on the website)

www.vooks.com – a reading website to promote reading for enjoyment. Access to lots of different stories. This website requires a paid subscription, but you are able to get a 1 month free trial.

www.readinga-z.com – online e-books which support application of phonics skills and sounds taught. This website requires a paid subscription, but you are able to get a 2 week free trial.

www.oxfordowl.co.uk - online e-book versions of the Oxford Reading scheme. A range of different books from all book bands covering fiction and non-fiction. Also includes advice and support for parents and educational activities and games. The website also has some maths activities split up into age groups.

www.getepic.com – Books and videos available suited to children’s interests (also available as an app – Epic!) One month free subscription available.

<https://www.oliverjeffers.com/abookaday/> - Stay at home story time. The famous children’s author Oliver Jeffers is uploading daily videos (weekdays) of himself reading his own books.

<https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories> - CBeebies bedtime stories. Lots of celebrities reading a range of children’s stories. A great way to end the day before bedtime!

<https://littlecoronaking.com/> - A gentle story EBook available for £0.49 to help children understand what is happening at the moment in an appropriate and sensitive way.

PE

<https://www.youtube.com/user/thebodycoach1> – PE with Joe every weekday morning. A 30 minute fun and active workout for children (and adults!) to take part in.

www.gonoodle.com – engaging movement and mindfulness videos created by child development experts.

Just Dance – Search ‘Just Dance’ or ‘Just Dance Kids’ on YouTube for fun dance routine videos for children to take part in and dance away to well-known pop songs.

Zumba Kids – Search ‘Zumba Kids’ on YouTube for fun and active videos.

<https://www.bbc.co.uk/teach/supermovers> – easy to follow active learning videos covering a range of topics and themes for Maths, English and PSHE.

https://www.youtube.com/channel/UC58aowNEXHHnflR_5YTtP4g - Dance with Oti Mabuse – Oti's children's dance classes are being streamed to her Facebook, Instagram and YouTube accounts at 11:30am every day until at least 30th March. The classes are saved onto her YouTube page after the livestream has finished, so they can still be enjoyed even if you aren't available at the exact start time.

<https://www.bbc.co.uk/programmes/p06tmmvz/episodes/player> – Andy's Wild Workouts – lots of fun workouts specifically for young children (for those struggling with Joe Wicks - this is a much less intense and shorter workout video and very fun and engaging for little children)

Real PE - access to quality physical activity and family play opportunities. The daily and weekly guidance will officially go live very soon but families can still explore and go on their own adventure if they wish. Even more content will be added over the next couple of weeks too! Each school has their own unique email and password.

Here are your details:

The website address is: home.jasmineactive.com

Parent email: parent@boldmereju-1.com

Password: boldmereju

General

www.tpet.co.uk – Free home learning resource pack for EYFS. The pack contains 2 weeks (10 days) worth of activities to support phonics, writing, maths and much more.
