

Year 4 Spring 1 Homework Project

We would like to invite you to create a project about one of our topics from this half term and bring it into school on week commencing **Monday 10th February 2025** to show your classmates!

You could create a PowerPoint presentation, an interactive poster, a 3D model or even a comic strip! It is completely your choice how you decide to present your learning.

Please note if you decide to create a PowerPoint presentation, this will need to be emailed in advance to the school enquiry email address:

enquiry-jun@boldmere.bham.sch.uk

This half term, our topic is called **Weather Phenomena**. Some of the things we are learning about are:

- The Water Cycle (Science) and states of matter (solids, liquids, gases)
- Our class novel—The Land of Roar
- Our Y4 Residential to Whitemoor Lakes
- Weather Phenomena (Geography)
- Gymnastics (PE)
- Roman Mosaics (Art)
- Music lessons (a focus on violin/clarinet/dhol drums)
