

The Three Little Pigs

Character Traits Activity

Look at the character in the middle of the page, and think of some words to describe how they might look, sound, smell and act. Then have a go at reading the words on the page, and circle them if you think they describe the character. Remember to look out for any blends/digraphs/trigraphs. Can you explain what the different words mean and how the characters show each trait? Did you think of any other words to describe the character that are not on the sheet? Could you write them yourself?
